AVIONS VOISIN
C3

Descripción del Servicio/Boda. Punto de recogida,
recorrido, iglesia,...

One of the oldest and most exclusive vehicles to be found in Spain. it is highly fragile because of its age and rarity. One of only ten models remaining in the world, these cars were used by heads of state and other important people throughout the world, including: François Mitterand (President of France), King Alexander of Serbia, Croatia y Slovakia, H.R.H. The Queen of Romania, The President of Argentina, Prince Kitto (heir to the Japanese throne) or Princess Helena of Greece.

M. Voisin was a pioneer in the world of aviation, who designed and constructed 10,000 planes in the First World War. After the war, he switched to car production (1919 – 1958)... with the aim of building the best car in the world. And so this marvellous car with valveless Knight engine was born, a masterpiece of engineering which broke numerous world records in the twenties and thirties.
