Without a doubt, one of the most elegant and luxurious cars in the world from the early sixties. A total of 2,717 cars of this model were manufactured, most of which were made to order.

This car is quiet and comfortable, making it an ideal choice to add a touch of prestige to a wedding or other social event. As they say at Rolls-Royce, "The only sound inside is the ticking of the dashboard clock".

It has been used in most famous weddings, such as Nicole Kidman's or that of Prince Charles and Lady Di.

One of the most aristocratic vehicles ever, its owners have included Princess Grace of Monaco, Elvis Presley, the Shah of Iran, Queen Elizabeth II, the Emir of Kuwait, and Brigitte Bardot.
